Try Homer Air. (907) 235-8591. We can't start earlier in Nanwalek. Maybe you could get on later vs. earlier flight to Seldovia.

Katherine,

As I was reviewing Andrew's and my itinerary, I discovered that there is logistical conflict with the start time of the consultation in Nanwalek. We can only get a flight out on the 11 AM Smokey Bay Air flight to Seldovia. So as the schedule is now, Andrew and I would be able to meet with the Village at 9 AM and stay for only part of the consultation so we can catch the flight. There doesn't appear to be other options for us based on discussion with our travel coordinator. Sorry for the hiccup.

Gerry
